ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was electronically received at the Board of Patent Appeals and Interferences (BPAI) on February 7, 2005. A review of the application has revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matters requiring attention prior to docketing are identified below.

Four Information Disclosure Statements (IDSs) were filed on the following dates in this application:

Application08/530,661

- 1) May 17, 2004;
- 2) July 13, 2004;
- 3) October 6, 2004; and
- 4) February 1, 2005.

It is apparent from the electronic record of the application that the examiner has not considered the statements submitted nor notified applicants of why the submissions did not meet the criteria set forth in 37 CFR § 1.197 and § 1.98.

Accordingly, it is

**ORDERED** that the application is being electronically returned to the examiner for consideration of these four IDSs and for such further action as may be appropriate.
